The reference made by the Government broadly and pointedly after having proper consideration by the Reconciliation Officer. The Government is of the opinion that industrial dispute exists between Mushtaq Ahmad and Ors. V/s. Management of Institute of Hotel Management, Catering Technology and Applied Nutrition Rajbagh, Srinagar. So in exercise of powers conferred

by clause (c) of sub-section (1) of the section 10 of Industrial Disputes Act 1947, the Government referred this dispute for adjudication on the following issues :—

- i. Whether the disengagement of Shri Ghulam Mohi-ud-Din Paray, Mushtaq Ahmad Sofi and Miss Sonobar Hassan is legally justified ?
- ii. If not, to what relief is entitled ?

3. Fundamentally and primarily reference which was made by the authority to this Tribunal is based on report submitted by the Conciliation Officer.

4. On receiving the reference from the Government. This Tribunal has issued the notices to both sides for filing the statement of facts and objections from other side workman/petitioners appeared and filed their claim alleging therein that they have been engaged by the respondent on daily wage basis in the year 1996, 1998 and 1999 respectively. The petitioners look for Government employment on substantive basis and they preferred to be engaged as daily wager/contractual basis having regard to their poor family background. At the time of engagement no time was fixed for engagement of petitioners as daily wager by the respondent. The petitioners were allowed to continue in service for more than 12 to 15 years and thereafter they have all of sudden disengaged in the year 2011. The petitioners requested to allow them to continue in service in view of the fact they had put in years together in service and are not in a position to get employment somewhere else. But they have not been allowed to remain in service. Hon'ble Supreme Court has held in so many cases that it would not be permissible to decree the cry of the labour force, desirous of absorption after for more than 240 days in an establishment. But in present matter petitioners have worked with establishment. Petitioners had been continuously working for a period of 12/15 years without any break in the respondents institution. They ought to have been regularized since. But unfortunately they have been disengaged by the respondent. The respondents

are in power and possession of the disengagement order which have not been given to them, if at all they have passed any order since the respondent institute is an industry in view of the definition clause of I. D. Act. When petitioners have not been allowed to remain in service, they have approached to the Assistant Labour Commissioner who is also Conciliation Officer. Finally prayed for setting aside the disengagement of petitioners and direct the respondent to reinstate them in service. Further prayed that respondent be directed to pay the amount withheld by them till January, 2013.

5. Respondents also appeared but have not filed any objections as per proceeding of the file. Thereafter the respondent did not bother to appear before this tribunal as such an *ex parte* order was initiated against them but later on they appeared and filed application for setting aside the *ex parte* order. But again they remain failure to appear. As such application for setting aside *ex parte* order was dismissed in default and *ex parte* remained in force. Again they appear and filed application for restoration of dismissed application for setting aside *ex parte* but again not appeared. As such *ex parte* is remaining intact.

6. During the pendency Petitioner No. 1. expired, his legal heirs moved an application to bring them on record as they are the only LR of the deceased petitioner Ghulam Mohi-ud-Din. Notice of this application was issued for filing of objection but no body appears and filed the objection. As such they have been brought on record as LRs of the deceased.

7. The claim of the petitioners as reflected in the conciliation proceeding and projected by the petitioners. As that petitioner were employed by the respondent on daily wages basis in the Institute of Hotel Management Catering Technology and Applied Nutrition, Rajbagh, Srinagar for more than 12 years. They have never been disengaged and now they are entitled for regularization as per the direction of Hon'ble Supreme Court but all of sudden they have been terminated from the service without any notice or any charge-sheet or conducting any enquiry. However, before the Conciliation Officer during the conciliation proceeding principal of the institute appeared who admitted that applicants were engaged purely on

need basis for 89 days and the arrangement continued till mid October, 2011 in term of their last appointment order the applicants were forced to continue in the institution as outsource staff under the Hunar Sey Rozgar Scheme as per the direction of Ministry of Tourism. The applicants instead of accepting the offer discontinued themselves from the job after expiry of their contractual terms. The principal of the institution declined to provide regular appointment to the applicants in the light of the direction of Government of India. Their regularization was discussed in the Board of Governors meeting in the year 2009 but board being the incompetent to create additional post referred to the Ministry of Tourism so finally conciliation has failed and Conciliation Officer recommend the matter to be referred to industrial dispute.

8. To prove the case of petitioners in *ex parte* they have been directed to lead their evidence and they have been made examined. Petitioner Ghulam Mohi-ud-Din, Mushtaq Ahmad Sofi and Sonober Hassan along with PW Ghulam Mohd. Salmani, PW Riyaz Ahmad Kokiloo, Mohd. Ashraf Khan. It is profitable to give brief resume of settlement of witnesses.

9. Petitioners Ghulam Mohi-Din stated on an affidavit that he has been engaged on daily wager/contractual basis by the respondent and deponent was allowed by the respondent to continue in service for period of almost 15 years without any break and during this period he was working with zeal and zest to the best satisfaction of his seniors. He was orally disengaged from the service by the respondent on 14-10-2011 without any reason and without any formal order of disengagement. Thereafter, he requested to respondent to allow him to continue in service in view of the fact that he has put years together in the service as he has continuously for 15 years without any break and he was expecting that services may be regularized by the respondent but the respondent did not accept his request and withheld his legal earned wage about 9000/- finally sought setting aside and disengagement order.

10. Petitioner Mushtaq Ahmad Sofi stated on an affidavit that he has been engaged on daily wager/contractual basis by the respondent and deponent was allowed by the respondent to continue in service for period

of almost 13 years without any break and during this period he was working with zeal and zest to the best satisfaction of his seniors. He was orally disengaged from the services by the respondent on 13-08-2011 without any reason, without any formal order of disengagement. Thereafter, he requested to respondent to allow him to continue in service in view of the fact that he has put years together in the service as he has continuously for 13 years without any break and he was expecting that services may be regularized by the respondent but the respondent did not accept his request and withheld his legal earned wage about 13500/- finally sought setting aside and disengagement order.

11. Petitioner Sonober Hassan stated on an affidavit that she has been engaged on daily wager/contractual basis by the respondent and deponent was allowed by the respondent to continue in service for period of almost 13 years without any break and during this period she was working with zeal and zest to the best satisfaction of his seniors. She was orally disengaged from the services by the respondent on 13-08-2011 without any reason, without any formal order of disengagement. Thereafter, she requested to respondent to allow him to continue in service in view of the fact that she has put years together in the service as she had continuously for 13 years without any break and she was expecting that services may be regularized by the respondent but the respondent did not accept her request and withheld her legal earned wages about 13500/- finally sought setting aside and disengagement order.

12. PW Ghulam Mohd. Salamani stated on an affidavit that petitioners were working with the respondent's office along with him. So they are well known to him. He retired from the services as storekeeper on 31-01-2010. Petitioners were appointed by the respondent department on daily wages basis. Petitioner namely Ghulam Mohi-ud-Din Paray was appointed on 06-02-1996 and Mushtaq Ahmad Sofi was appointed on 30-10-1998 whereas Sonober Hassan was appointed on 02-11-1999. As such they were allowed to continue in services for a period of about 12 to 15 years without

any break and thereafter they were all of sudden disengaged from the services by the respondent without any reason. Petitioners requested the respondent to allow them to continue in service but respondents decline their request.

13. PW Riyaz Ahmad Kokikloo stated on an affidavit that petitioners were working with the respondent's office along with him so they are well known to him. He retired from the services as ex-office Superintendent on 30-04-2014. Petitioners were appointed by the respondent department on the daily wage basis. Petitioners namely Ghulam Mohi-ud-Din parray appointed on 06-02-1996 and Mushtaq Ahmad Sofi was appointed on 30-10-1998 whereas, Sonober Hassan was appointed on 02-11-1999 as such they were allowed to continue in services for a period of about 12-15 years without any break and thereafter they were all of sudden disengaged from the services by the respondent without any reason. Petitioners requested the respondent to allow them to continue in service but respondent decline their request.

14. PW Mohd. Ashraf Khan stated on an affidavit that petitioners were working with the respondent's office along with him so they are well known to him. He retired from the services as Ex. Accounts Incharge on 29-02-2008 petitioners were appointed by the respondent department on daily wages basis. Petitioners namely Ghulam Mohi-ud-Din Parray was appointed on 06-02-1996 and Mushtaq Ahmad Sofi was appointed on 30-10-1998 whereas, Sonober Hassan was appointed on 02-11-1999. As such that were allowed to continue in services for a period of about 12 to 15 years without any break and thereafter they were all of sudden disengaged from the services by the respondent without any reason. Petitioners requested the respondent to allow them to continue in service but respondents decline their request.

15. This is the whole sum and substance of both side evidence produced by them during the proceedings.

16. I have thoughtfully considered argument advance by the representative of the parties and has a minute study and appreciation of the evidence both oral as well as documentary available on case file.

17. This court has to return the findings within the circumscribed limits of the term of reference identified by the competent authority appointed by the Government and we are not supposed and expected to travel beyond the terms set up for adjudication what is required to be settled precisely is to be finding out legality or otherwise action of respondent management in this case. Termination of services of the petitioner's by respondent is legally valid or not. In case where the action as taken up by respondent in terminating the services of the petitioners is held illegal assuming for the sake of argument then it is to be seen what appropriate relief can be given to the petitioners on account not of such illegal action.

18. Briefly petitioners were employee of the respondent's institute which definitely covered under section 2 (s) of the Industrial Disputes Act and there was no dispute on this point because principal himself admitted before the Conciliation Officer that they have been engaged on daily wage and remained in continues service with the institution for more than 12 years. The grievances of the petitioners are that they regularly worked with the management for more than 12 years and they are entitled for regularization but all of sudden they have been disengaged whereas other employees who are junior to them have regularized. As such they have been preference over petitioners. No notice was given to them before disengagement and no inquiry was conducted. As they are obedient, hard worker there is nothing against them for the last 15 years. They worked to the satisfaction of the seniors after 15 years of the service they have been asked, to opt this scheme.

19. Now the question arises that Petitioners No. 1 was appointed on daily wages basis in the year 1996 for 89 days and order was extended from time to time and he remained in service up to 2011. Whereas, Mushtaq Ahmad Sofi was appointed on contract basis and his services were also

extended from time to time till 2011. Ms. Sonober Hassan was appointed on temporary basis on need basis for 89 days and her appointment will reviewed after the expiry of the term. As such she was not appointed on daily wages or contract basis.

20. In terms of evidence on records adduced by the petitioners comprises of the statement of two petitioners and a witness it is abundantly clear that petitioners and witness have deposed in one voice that the petitioners were terminated verbally by the management of the institution and no notice was given to them neither they have been charged-sheeted nor any inquiry has been conducted which is clearly against the provisions of I. D. Act. Evidence of the petitioners is convincing on the point that they have continuously worked in the institution for more than 12 years, workers have completed more than 240 days in a calendar year continuously. So they were conferred with the right of workman and the respondent management therefore in turn was under obligation to observe the mandate and the procedure laid down under section 25-F of the Industrial disputes Act before terminating their services or before retrenchment of the petitioner of whatsoever. Section 25-F provides that where any workmen continuously to worked for more than 240 days in a year he acquires some right and privilege in defending the case of retrenchment and under this section it is provided that no workmen employed in any industry shall be retrenched by the employer until the workmen has been given one month's notice indicating reason for retrenchment. Further, more termination of a workman without conducting any inquiry without payment of retrenchment compensation and one month's pay in lieu of notice is liable to set aside and workmen will be entitled to reinstatement.

21. So it is clearly established that petitioners have been terminated by the employer, whereas, they were demanding to be regularized as juniors to them have been regularized. Whereas, petitioner Ms. Sonober Hassan was engage on temporary, basis at the time of her appointment. She along with other petitioners have remained in services for a long period. But employer have not observed the mandate of the section 25-F of Industrial Disputes Act. So termination is in violation of provision of Industrial Disputes

Act, as it is without any notice or inquiry so is not legally justified termination. In support of my contention, laid my hand on an authority of Himachal Pradesh High Court 2008 Page held as under :—

“Reinstatement with back wages when termination of services of workmen not legal termination of workmen without conducting any enquiry and without issuing one month notice held to be violative of the service rule and section 25-F of the Industrial Disputes Act, 1947 workmen placing an affidavit to the effect that he was not gainfully employed after its retrenchment-same not rebutted by the employer by placing any material on record-workmen held entitled for reinstatement with full back wages and also interest @ 9% per annum from date he was allowed to resume duties.”

22. In view of the above, the termination of the petitioners by the respondent management is illegal, invalid, unwarranted and uncalled for and against the principle of natural justice. Therefore, the termination of the petitioners by respondent management is hereby set aside and respondents are directed to reinstate the petitioners 2 and 3 fourthwith admittedly, the petitioners have rendered services for more than 240 days in calendar years as required. There is nothing sustainable accepting the averment that the petitioners had left the services at their own. Petitioners were working purely on temporary basis. Even otherwise, taking over all view of the matter as well as evidence brought on record, it is clear that petitioners have not worked anywhere else.

23. During the pendency of the reference Petitioner No. 1 Ghulam Mohi-ud-Din expired and his LR were brought on record so they are entitled for gratuity, leave salary, retrenchment compensation and other benefits of the retirement. They are not entitled for reinstatement. As such respondents are hereby directed to pay the full amount of back wages and other retirement benefit upto his death.

24. So far back wages in question is concerned, I realized that admittedly as come in evidence that they remain unemployed during the

pendency of the case. So, I think to grant full back wages is just and proper. Hence, respondents are hereby directed to pay full wages from date of termination till their reinstatement. Accordingly, an award is passed in favour of the petitioners and against the respondents. Copy of the award be sent to the Government of J&K through its Commissioner/Secretary, Labour Department for information and for its publication in the Government Gazette.
